### Consistency: Thirsty Tuesdays – The Tasting

Every week, Chez Kai's team conducts a dedicated tasting session, trying out new wines with at least two different dishes from the menu for our wine pairing.

We understand that taste changes with vintage, and we make sure we ensure that our wine pairing caters to an ever-changing palette. If a wine does not work – even if one of us disagrees – it does not make the pairing.

To excite and inspire.

### 3 glass pairing - \$88

For the ones that enjoys the food and feels that wines complement

### 5 glass pairing - \$148

### Premium Selection available for pairing by glass
